VERSE 1

G Em
In the quiet dirt of a common field
D C
I found a secret that the earth concealed
G Em
I'd sell the house and the family name
D C
To own the ground where the glory came
G Em
Like a merchant wandering the distant bays
D C
Who finds one light in a salty haze
G Em
I've let the rest of the world grow cold
D C
To hold the prize that can't be sold

CHORUS

G D
It's the hidden weight, it's the rising sun
Em C
The work is starting, though the race is run
G D
A kingdom breathing in the here and now
Em C
The silent seed and the heavy plough
Am C
Not yet complete, but the truth is clear
D G
The reign of heaven is already here

VERSE 2

G Em
Just a tiny grain in a calloused hand
D C
Will shadow over all the tired land
G Em
The leaven works in the midnight hour

D C
Changing the world with a quiet power
G Em
It doesn't shout and it doesn't boast
D C
From the mountain top to the furthest coast
G Em
It's folding in, it's spreading wide
D C
With nowhere left for the dark to hide

CHORUS

G D
It's the hidden weight, it's the rising sun
Em C
The work is starting, though the race is run
G D
A kingdom breathing in the here and now
Em C
The silent seed and the heavy plough
Am C
Not yet complete, but the truth is clear
D G
The reign of heaven is already here

VERSE 3

G Em
The net is cast in the deep green swell
D C
The time of harvest is a tolling bell
G Em
The wheat and weeds grow side by side
D C
But the winnowing wind won't be denied
G Em
The hand of justice will draw the line
D C
To keep the good and the true design
G Em
And we will see, and we will recognise
D C
The morning breaking in the Master's eyes

CHORUS

G D
It's the hidden weight, it's the rising sun
Em C
The work is starting, though the race is run
G D

A kingdom breathing in the here and now
The silent seed and the heavy plough
Not yet complete, but the truth is clear
The reign of heaven is already here
