From this dusty world inside

Saw a throne set there in glory

And the One who sat in light

Like jasper fire and crimson stone
G C
Storm and rainbow round the sky

Holy, Holy

Holy, day and night that chorus rolls
F C
Every crown falls down before You

Every breath cries "You alone"

Worthy, Worthy
G C
Worthy, of all power, praise and song

You made all things by Your pleasure

Every heartbeat, every dawn

Casting gold down at His feet

While they bow on bended knee

When they fall, when they tremble

All creation joins the sound

Round that throne, round that thunder

Every knee gives up its crown

"You are worthy" echoes higher

From the ages yet to be

For Your will called forth the heavens

And Your love keeps holding me
