VERSE 1

G D/F#
Like a deer on cracked riverbed
Em D
Tongue dry
C D
Feet shaking in the dust
G D/F#
I remember how we used to sing
Em D
Crowds around
C D
But it was You I loved
Am D
Now my tears mark the passing hours
Am D
Daylight questions
C D
Midnight storms
Am D
"Where is God?" echoes in their laughter
C D
I just keep whispering Your name

CHORUS

G D/F#
You are my song in the silence
Em C
You are the voice in the flood
G D/F#
When every wave shouts over me
Em C
Still I will hope
D
I will trust
G D/F#
Deep calls to deep in the darkness
Em C
Drowned by the roar of the sea
G D/F#

Yet I will stand on Your promise

Em C G
You are the strength in me

VERSE 2

G D/F#
From the cliffs I see the breakers fall

Em D
One after one on the same old stone

C D
So my heart takes hit after hit

G D/F#
But somehow it keeps holding on

Am D
In the night I hum a simple prayer

Am D
Old refrain I can barely believe

C D
"Why so downcast

C D
Oh my soul?"

Am D
Rise up and sing what you can't yet see

CHORUS

G D/F#
You are my song in the silence

Em C
You are the voice in the flood

G D/F#
When every wave shouts over me

Em C
Still I will hope

D
I will trust

G D/F#
Deep calls to deep in the darkness

Em C
Drowned by the roar of the sea

G D/F#
Yet I will stand on Your promise

Em C G
You are the strength in me

BRIDGE

Am
Why are you heavy

C
Soul of mine?

G D
Why are you folded in like wings?

Am

Lift up your eyes above the waves

C
Speak to the storm

D
Tell it who He is

G
Hope in God

D/F#
I will again praise

Em
Hope in God

C
Though the sky stays grey

G
Hope in God

D/F#
My Savior

Em
My face

C
Till the dawn breaks

D
I will say
