* Chord shapes are shown for D with Capo 2nd Fret. Sounding key: E Major.

INTRO

D Gmaj7 D Gmaj7

VERSE 1

D Gmaj7
Don't go building your fences too high
D/F# Gmaj7
Out here where the red dust settles on everything
D Gmaj7
The moths'll find the wool in the dark of the night
D/F# Gmaj7
And the rust'll take the gate right off the hinge
Em7 F#m7
Yeah, a man spends his life just guarding the lock
Gmaj7 A
But the thief's gonna find a way through the weatherboard and rock

CHORUS

D A
'Cause where you put your treasure
Bm7
That's where you're gonna stay
Gmaj7
Where you leave your heart
D
Is where you'll spend your day
A
Don't gather it up where the world breaks down
Bm7 Gmaj7
Keep your riches where they can't be found
D A Bm7 Gmaj7
In the light... yeah, in the light

VERSE 2

D Gmaj7
Now, the eye is the lamp for the spirit inside
D/F# Gmaj7
If your vision is clear, then the light's gonna pour
D Gmaj7
But if you're looking at the world through a clouded lens
D/F# Gmaj7
You'll be fumbling for the handle on the door
Em7 F#m7

If the light you think you have is only deep shade
Then that's a long, dark walk that you've gone and made

BRIDGE

It ain't in the silver, it ain't in the gold
It's a story that's never gonna grow old
It's the way that you see, it's the way that you love
Keep your eyes on the things above

CHORUS

'Cause where you put your treasure
That's where you're gonna stay
Where you leave your heart
Is where you'll spend your day
Don't gather it up where the world breaks down
Keep your riches where they can't be found
In the light... yeah, in the light

OUTRO

Keep it clear now.
Watch the light.
Yeah...
