

# Shepherd in the Suburbs

Psalm 23

KEY	PLAY	TEMPO	TIME
A Major	G Major (Capo 2nd Fret)	72 BPM	4/4

\* Chord shapes are shown for G with Capo 2nd Fret. Sounding key: A Major.

## VERSE 1

G C  
You're my shepherd  
G D  
In the chaos and the calm  
C G  
Flat white cooling on the table  
D G  
And your peace wraps round my heart  
G C  
You lead me by the wetlands  
G D  
Where the city sounds grow thin  
C G  
In the quiet of the morning  
D G  
You breathe courage back within

## CHORUS

C G  
You restore my soul  
Em D  
When I'm running on empty  
C G  
You restore my soul  
Em D  
When the world gets heavy  
C G  
I won't fear the dark  
D Em  
'Cause you're in control  
C  
You're my shepherd  
D G  
You restore my soul

## VERSE 2

G C  
You're my shepherd  
G D  
When the path cuts through the doubt  
C G  
When the headlines feel like thunder

And I just can't work it out  
In the hospital reception  
In the late-night Centrelink line  
Your goodness walks beside me  
Every valley  
Every climb

#### CHORUS

You restore my soul  
When I'm running on empty  
You restore my soul  
When the world gets heavy  
I won't fear the dark  
'Cause you're in control  
You're my shepherd  
You restore my soul

#### BRIDGE

When shadows stretch long  
You're closer than my breath  
Your kindness my shield  
Your mercy my rest  
You set out a table  
Right where trouble tries to own me  
My cup keeps on spilling  
'Cause your love won't leave me lonely

#### CHORUS

You restore my soul

When I'm running on empty

You restore my soul

When the world gets heavy

I won't fear the dark

'Cause you're in control

You're my shepherd

You restore my soul

#### OUTRO

You're my shepherd

You restore my soul

You're my shepherd

You restore my soul
