VERSE 1

I'll bless Your name at every sunrise
When the sky burns red and gold
Every breath a quiet hallelujah
For the mercies I still hold
I was cracked and small and shaking
You heard every strangled plea
You pulled my fear out by the roots
Gave these tired eyes room to see

CHORUS

Taste and see that the Lord is good
Come on
Let the broken in
All who ache
All who carry shame
Find a home where the lost begin
Lift your face
He is close to you
To the crushed and the crushed again
Taste and see that the Lord is good
Let His kindness draw you in

VERSE 2

^C
I've seen angels round my kitchen table
^F
When I should've gone without
^C ^G
Bread enough for one more neighbour
^C ^F
Peace that pushed away the doubt
^C ^G ^C
When the bones of my heart were splintered
^C ^F
And the crowd did not forgive
^C ^G
You were near to the spirit shattered
^C ^G ^C
Teaching me again to live

VERSE 3

^C ^F
Those who chase every empty promise
^C ^G
End up hungry in the end
^C ^F
But the ones who fear You
^C
Trust You
^G ^C
Never lack what You will send
^C ^F
You hear the just when they are bleeding
^C ^G
You bind the hearts that break in two
^C ^F
Many storms
^C ^G
But You keep redeeming
^C ^G ^C
Every road still leads to You
