VERSE 1

D G
The winter's grip has broken on the timber
Bm A
The echoes of our failures lose their sound
D G
The old has passed, the slate is cleared and quiet
Bm A
For in His love, a deeper peace is found
G A
No more the weight of every debt we carried
Bm D
No more the shame that held us to the clay
G A
The ancient night is folded like a garment
Em G A
And cast aside before the break of day

CHORUS

D G
Behold the King, the Architect of Mercy
Bm A
Who bridged the chasm with His steady hands
D G
In Christ alone, the Father's heart is open
Bm A
Reclaiming us from dark and weary lands
G A
Majestic Grace, the soul's eternal centre
Bm D
In Him we stand, a new creation born
G A
The God of all has reconciled His children
Em G D
And brought us home to meet the rising dawn

VERSE 2

D G
We walk the earth as heralds of His favour
Bm A
With voices tuned to melodies of peace

D G
He took our sin, though He had known no failing
Bm A
That in His breath, our captive hearts release
G A
We plead the cause of Him who bought our freedom
Bm D
To every soul, the message is the same
G A
Lay down your arms and walk into the sunlight
Em G A
For there is life in Jesus' holy name.

BRIDGE

Bm A
Don't let this grace be offered up in silence
G D
Don't let the moment flicker and depart
Bm A
For now's the hour, the season of salvation
G D
To find the home designed for every heart.
Em A
Yes, now's the time, the day of our deliverance
G A
The doors are wide, the path is firm and true

CHORUS

D G
Behold the King, the Architect of Mercy

In Christ alone, the Father's heart is open
