VERSE 1

D G D
There was a curtain thick and heavy as the night,
D A
Keeping us shadows from the source of the light.
D G D
But the blood of the Man paved a path through the veil,
D A D
A promise of mercy that's never going to fail.
G D
I'm walking with boldness where I once used to fear,
G A
Knowing the silence is over, and the Maker is near.

CHORUS

G D
Oh, we enter the holiest by a new and living way,
G A
The dawn has broken on a long-awaited day.
D G D Em
With our hearts sprinkled clean and our spirits washed white,
D A D
We're standing together in the glow of His light.
G D
He is faithful to the promise, He is true to His word,
G A D
The greatest story that the world has ever heard.

VERSE 2

D G D
So let's hold to the hope, let it anchor the soul,
D A
The One who has called us is in steady control.
D G D
Don't wander alone or drift from the fold,
D A D
There's a fire in the hearth against the dark and the cold.
G D
Let's stir up the embers of kindness and grace,

G A
Till we see the full glory of His wonderful face.

BRIDGE

D G D
And as the day draws near, let the shadows fall away,

D A
We'll spur one another to the light of the day.

D G D
No more looking back at the debts that were paid,

D A D
Just a life lived in freedom, and a heart unafraid.

CHORUS
