VERSE 1

D G D
There's a name above the noise of all the world's confusion
D G A
The Father in the high and holy place
D G Em
We come with empty hands and hearts that need a revelation
G A D
Hungry for the light of your face
D G D
Let your name be known in every corner of the darkness
D G A
Let the hollow places fill with what is true
D G Em
There's a world out here that's lost and wandering and without hope
G A D
And all of it is groaning, Lord, for you

CHORUS

D G D
Your kingdom come, your will be done
D G A D
On the broken earth beneath the burning sun
Em G D A
As it is in heaven, let it be right here
Em G A D
We're praying through the distance, praying through the fear
D G D
Your kingdom come

VERSE 2

D G D
Give us what we need to make it through another morning
D G A
Just enough to trust you for the day
D G Em
Forgive the weight of all the debts we carried without warning
G A D
As we learn to give that weight away
D G D
For the mercy that we're given is the mercy we must offer
D G A
To the ones who left us standing in the cold

D G Bm
It's a harder road than easy and a straighter road than softer
G A D
But it's leading somewhere better than we've known

CHORUS

D G D
Your kingdom come, your will be done
D G A D
On the broken earth beneath the burning sun
Bm G D A
As it is in heaven, let it be right here
Bm G A D
We're praying through the distance, praying through the fear
D G D
Your kingdom come

BRIDGE

Bm G D A
Lead us through the valley where the shadows press so close
Bm G A
Where the enemy is patient at the door
Bm G D A
Deliver us from every dark and every dark's devices
G A
Every chain we couldn't break on our own before
D G D
We pray it not because we have the answers
D G A
We pray it not because the road is clear
Bm G D
We pray because the kingdom's worth the waiting
G A D
And the one who promised – he is always near

CHORUS

D G D
Your kingdom come, your will be done
D G A D
On the broken earth beneath the burning sun
Bm G D A
As it is in heaven, let it be right here
Bm G A D
We're praying through the distance, praying through the fear
D G D
Your kingdom come

CLOSER

D G D
Your kingdom come
D G D
On earth – as it is
